

2026 Rate Sheet

Effective April 1, 2026

- Monthly fee: \$40
- Total kWh charge: \$0.376 per kWh
 - Total energy cost: \$0.156
 - Green energy cost (2026-2030): \$0.106
 - Versant Transmission cost: \$0.05
 - Delivery charge: \$0.22 per kWh

Note: The PoCo negotiated a 4 year contract for green energy which resulted in a \$0.01 increase to our costs on January 1, 2026; Versant also increased transmission cost by a bit over \$0.01 on January 1 resulting in an increase of about \$0.021 in our per kWh charge. We are passing those increases on to customers starting April 1st. Only the Versant portion will fluctuate until we negotiate a new power purchase contract in 2030
